**ELGIN, IL ....** Kane County Board candidate Kurt Kojzarek is honored to announce a major endorsement from Kane County Board Chairman Candidate Chris Lauzen today.

“Kurt Kojzarek is a no nonsense candidate who will bring fiscal responsibility to a county government that is growing faster than our individual incomes,” said Lauzen. “While I do not typically publicly endorse candidates during the primaries, Kurt is simply the right guy at the right time. His experience in both the private and public sector will allow him to bring strong leadership to a region that is hungry for common sense improvement through an independent voice on the County Board. I look forward to working with Kurt as we bring real reform to county government.”

“I’ve known and worked with Senator Lauzen for over a decade, and am humbled to have received his endorsement,” said Kojzarek. “When I first announced my candidacy for County Board, I was pleased to hear that Chris would be running for Chairman. Our shared core principles of limited open government have always created a strong formula for bringing about effective reform.”

In 2010, Kojzarek and Lauzen served as Kane County’s co-chairs for the Bill Brady gubernatorial campaign, delivering a Republican majority for the candidate..

Kurt has also received endorsements from former Senator Steve Rauschenberger, Kane County Treasurer David Rickert, the Elgin Township elected officials, retiring Kane County Board member Jackie Tredup and many others.

The newly drawn 19<sup>th</sup> District is situated in Northern Kane County, encompassing the communities of Eagle Heights, Valley Creek, Century Oaks and Willow Lakes in Elgin and Timber Trails in neighboring Gilberts.

For more information about Kurt, please visit the campaign website at [www.kojzarek.org](http://www.kojzarek.org), or call Kurt directly at 847-971-5120.
